1. Furnish a response to HUD's management review reports, physical inspection reports and written inquiries regarding the Healthcare Facility's annual financial statements or monthly accounting reports or other operational issues within five (5) business days or such further time as HUD may allow after receipt of the report or inquiry.
2. To the extent that Agent's role includes maintaining the Healthcare Facility's accounts, books and records, establish and maintain those accounts, books and records in accordance with Program Obligations and in a condition that will facilitate audit.

F. The Agent agrees that:

1. All records related to the operation of the Healthcare Facility, regardless of where they are housed, shall be considered the property of the Project.
2. HUD, the Government Accountability Office (GAO), and those agencies' representatives may inspect any records which relate to the Project's purchase of goods or services, the records of the Borrower, Operator and the Agent, and the records of companies having an identity-of-interest with the Operator and the Agent.

6. All contracts relating to the Project with patients, residents, or third party payors shall be the property of, and executed in the name of, the Borrower or, if the Project is operated by a separate licensed Operator, in the name of the Operator, even if such contracts are executed by the Agent on behalf of the Borrower or Operator.
7. No funds may be advanced to the Healthcare Facility or Project by the Agent. No funds of the Agent may be commingled with funds of the Borrower or Operator.
8. Agent’s compensation may not be enhanced by service fees, handling fees, processing fees, rebates, trade discounts, tax savings, kickbacks, etc. All such funds received from any source or derived from the operation of the facility shall be deemed Project funds.
9. Indemnity, subrogation, or hold harmless agreements shall have no effect and will not be allowed except with the specific approval of HUD.
10. The Agreement creates a principal/agent relationship between the Agent and the Borrower or Operator. The Agent owes the duties of a fiduciary to its principal. All actions of the Agent will be performed in conformity with applicable laws and regulations, including any and all licenses and permits relating to the Project, and Program Obligations, including without limitation, any contracts and other documents entered into by the Borrower or Operator. Such documents may include, but are not limited to, regulatory agreements, operating leases entered into by the Operator relating to the Project, and security agreements.
11. If the Agent appears on the Healthcare Facility’s license, Agent will take no action to modify the license without HUD approval. In the event that the Agreement is terminated, the Agent will take all reasonable and necessary actions to preserve the rights and authorities under the license and transfer such rights and authorities to its successor. The Agent shall not reduce or expand, allow to be reduced or expanded, or cause the expansion or reduction of the bed capacity of the Healthcare Facility without the consent of HUD. Any change in the bed capacity without HUD approval shall be a violation of this Certification, the

- Borrower's Regulatory Agreement, and the Operator's Regulatory Agreement, and, upon HUD's request, shall cause the termination of the Agreement.
12. Should the duties of the Agent include resident care and services, the Agent shall maintain professional liability insurance in compliance with the requirements set forth in Program Obligations, and shall provide reports on that coverage as required by Program Obligations.
  13. Agent shall maintain records of its operations and make them available to the Operator, Lender, the U.S. Government Accountability Office (GAO), and/ or HUD, upon reasonable notice. Agent will make the Healthcare Facility available for inspection by the Borrower, Operator, Lender, GAO, and HUD, or any agent of any such entity, upon reasonable notice.
  14. Agent will not accept legal service on behalf of the Borrower or Operator, unless specifically authorized by the Borrower or Operator, respectively.
  15. Agent will immediately advise Borrower and Operator of any potential claim for damages from any source, whether based upon contract, tort, levy, or otherwise. Agent will maintain all records related to any potential or actual claim in a secure location, and maintain the confidentiality of and records or communication related thereto.
  16. To the extent the Agent has access to the information, and except as otherwise provided below or in Program Obligations, Agent shall electronically deliver, within two (2) business days after Agent's receipt thereof, to the assigned HUD personnel and Lender electronically, copies of any and all notices, reports, surveys and other correspondence (regardless of form) received by Agent from any governmental entity that includes any statement, finding or assertion that (i) Borrower, Operator (or any Operator principal, officer, director or employee), Agent, the Healthcare Facility, or any portion of the Project is or may be in substantive violation of (or default under) any of the Permits and Approvals or any governmental requirements applicable to the operation of the Healthcare Facility, (ii) any of the Permits and Approvals are to be terminated, limited in any way, or not renewed, (iii) any civil money penalty is being imposed in connection with the Healthcare Facility, or (iv) Borrower, Operator (or any Operator principal, officer, director or employee), Agent, the Healthcare Facility, or any portion of the Project is subject to any governmental investigation or inquiry involving fraud. Unless otherwise requested by HUD, the reporting requirement of this provision shall not encompass (a) communications with

regulators relating solely to Licensed Nursing Facility surveys where the most severe citation level is at the "G" level or its equivalent (pursuant to CMS State Operations Manual, Chapter 7, as may hereafter be edited or updated, or any successor guidance) unless a citation at such level is either (i) unresolved from the two most recent consecutive prior surveys, or (ii) is a repeat violation having the same citation number. Moreover, unless otherwise requested by HUD or Lender, the initial communication from the Operator pursuant to this paragraph shall be a notice by email to the Lender describing the conduct cited, the scope and duration of remedy(ies) imposed, and the timelines for corrective actions. Then, unless otherwise requested by HUD or Lender, the next communication from the Operator shall be notification that the citations have been cleared by the issuing regulatory agency. The receipt by HUD and/or Lender of notices, reports, surveys, correspondence and other information shall not in any way impose any obligation or liability on HUD, Lender or their respective agents, representatives or designees to take (or refrain from taking) any action, and HUD, Lender and their respective agents, representatives and designees shall have no liability for any failure to act thereon or as a result thereof.
